

## Guided motorcycle tour Sardinia in the time of covid

**SPECIAL OFFER 4 days – 3 nights and 950 km**

To make up for this “strange” and frustrating riding season, we’ve organised an exceptional tour, a real concentrate of great bends, to recharge your batteries in an unspoilt and fascinating land, which also happens to be THE biker’s paradise.

Short but unforgettable, created with bikers in mind, to make the most of their motorcycles, this tour will make you discover this captivating and poetic land that is Sardinia.

A real biker’s dream, perfect asphalt, fantastic bends and pleasant weather, in the middle of beautifully coloured landscapes, in a wild and wonderful nature; a regenerative experience which will help you face the looming autumnal season in the best possible way.

Without, of course, forgetting its Caribbean-like sea, its excellent wines and its authentic and scrumptious traditional cuisine.

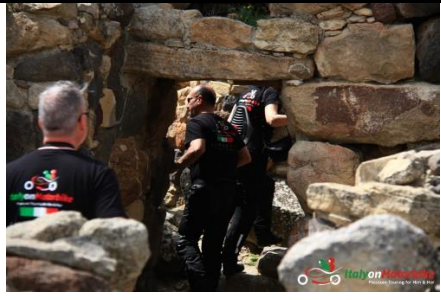

A tour which starts in Olbia at 10am and finishes in Olbia at 6pm, to coincide with the arrival and departure times of most ferries.

	Another thousand bends day! Overnight in Fonni			Km 220
	3	Fonni	Arbatax
	Today, we linger in more bends, we'll climb up and down, between landscapes of the "parco del Gennargentu" and the lakes on the river "Flumendosa". Today's itinerary ends with a spectacular descent towards the coast, where we will find our hotel.		
Overnight around d'Arbatax			Km 230
	4	Arbatax	Olbia
	For our last day, it's the legendary Sardinian Oriental road which awaits, with a series of detours which, constantly alternating between sea and mountain, will keep the last chapter of this escape from reality very busy indeed.
